

FROM THE DESK OF CHIEF EDITOR

It gives me an immense pleasure to launch this *Volume - IV, No. 1 (January - April, 2023)* of *Research Spectra* published by Society for Rehabilitation and Youth Awareness (SREYA), Varanasi, India. It is a new broad-scope publication aiming to publish high quality research papers and articles which provides an ideal forum for exchange of information about various fields like, education, art, culture, heritage, political, social etc.

Research Spectra, An International Multidisciplinary Peer-Reviewed/ Refereed Journal is compilation of outstanding papers from numerous disciplines submitted by academicians and researchers who have been involved in research activities with an enhanced skill set, including better problem solving, critical thinking, and team-work skills. It is dedicated to the rapid dissemination of high quality research papers on how advancements in various sectors can help us to meet the challenges of the 21st century, and to take advantage by providing a medium for scholarly communication in both print and online mode. The current issue consists of **21** research papers/articles have focused on adoptability of new innovations and ideas.

I would like to thank all the contributing authors for providing such a rich variety of outstanding research articles on a broad range of exciting topics. Once again I also express my heartfelt thanks to our editorial team who really worked hard for this issue of *Research Spectra*. I am inviting valuable suggestions and comments from the academicians, researchers and readers which will help in formulating new ideas as well as improving the quality of the journal in upcoming issues.

Thank you,
