

FROM THE DESK OF CHIEF EDITOR

It gives me immense pleasure to launch this *Volume -IV, No. 2 (May-August 2023)* of *Research Spectra* published by the Society for Rehabilitation and Youth Awareness (SREYA), Varanasi, India. It is a new broad-scope publication aiming to

publish high-quality research papers and articles that provide an ideal forum for the exchange of information about various fields like education, art, culture, heritage, political, social, etc.

Research Spectra, *An International Multidisciplinary Peer-Reviewed / Refereed Journal* is a compilation of outstanding papers from numerous disciplines submitted by academicians and researchers who have been involved in research activities with an enhanced skill set, including better problem-solving, critical thinking, and teamwork skills. It is dedicated to the rapid dissemination of high-quality research papers on how advancements in various sectors can help us to meet the challenges of the 21st century, and to take advantage by providing a medium for scholarly communication in both print and online mode. The current issue consists of 11 research papers/articles that have focused on the adaptability of innovations and ideas.

I would like to thank all the contributing authors for providing such a rich variety of outstanding research articles on a broad range of exciting topics. Once again, I also express my heartfelt thanks to our editorial team who worked hard for this issue of Research Spectra. I am inviting valuable suggestions and comments from academicians, researchers, and readers which will help in formulating new ideas as well as improving the quality of the journal in upcoming issues.

Thank you,
