

## FROM THE DESK OF MANAGING EDITOR

Introducing Volume IV, No. 3 (September-December, 2023) of Research Spectra, which is being released by the Society for Rehabilitation and Youth Awareness (SREYA), Varanasi, India, brings me great joy. It is a wide-ranging publication keen to publish excellent research papers and articles that offer the perfect platform for the sharing of knowledge about a variety of topics like Politics, Social studies, Education, Art and Culture, Heritage, etc.

Research Spectra, *An International Multidisciplinary Peer-Reviewed / Refereed Journal* is a compilation of outstanding papers from numerous disciplines submitted by academicians and researchers, who have been involved in research activities with an enhanced skill set, including better problem-solving, critical thinking, and teamwork skills. It is dedicated to the rapid dissemination of high-quality research papers on how advancements in various sectors can help us to meet the challenges of the 21st century, and to take advantage by providing a medium for scholarly communication in both print and online mode. The current issue consists of 11 research papers/articles that have focused on the adaptability of innovations and ideas.

I would like to thank all the contributing authors for providing such a rich variety of outstanding research articles on a broad range of exciting topics. Once again, I also express my heartfelt thanks to our editorial team who worked hard for this issue of Research Spectra. I am inviting valuable suggestions and comments from academicians, researchers, and readers which will help in formulating new ideas and improving the quality of the journal in upcoming issues.

**Warm Wishes!!**
