

## FROM THE DESK OF MANAGING EDITOR

Introducing Volume V, Issue No. 1-2 (January - August, 2024) of Research Spectra, which is being released by the Society for Rehabilitation and Youth Awareness (SREYA), Varanasi, India, brings me great joy. It is a wide-ranging publication keen to publish excellent research papers and articles that offer the perfect platform for the sharing of knowledge about a variety of topics like Commerce, Science, Social Science, Education, Art and Culture, Heritage, etc.

Research Spectra, *An International Multidisciplinary Peer-Reviewed / Refereed Journal* is a compilation of outstanding papers from numerous disciplines submitted by academicians and researchers. The current issue of this Journal is providing a medium for scholarly communication in both print and online mode. This issue consists of 21 research papers/articles that have focused on the adaptability of innovations and ideas.

I would like to thank all the contributing authors for providing such a rich variety of outstanding research articles. Once again, I also express my heartfelt thanks to our editorial team who worked hard for this issue of Research Spectra. I am inviting valuable suggestions and comments from academicians, researchers, and readers which will help in formulating new ideas and improving the quality of the journal in upcoming issues.

**Warm Wishes!**
