

Guidelines for Submission of Manuscript

Research Spectra is an *International Multidisciplinary Tri-annual Refereed Journal* publishes the selected, original research papers and articles in all branches of Commerce, Arts, Science, Library Science, Computer Science, Environmental Science, Agricultural Sciences, Medical Science, Technology and other related fields. Along with original Research articles, it also encourages the short communication of current interest and reviewed articles for publication. Manuscripts submitted to the journal must be original, and not submitted for publication anywhere else. All the authors and co authors must be a member or subscriber of the Journal at the time of submission of the manuscripts. Author(s) has to send e-copy of his paper to our mail: researchspectra@gmail.com or directly upload their papers through our journal's website: www.researchspectra.org.in.

Preparation of Manuscripts: All manuscripts should be typed in double space on one side in English on A-4 size bond paper, in 12 font size of M.S. Word with 1.5 inch margin on each side. Research papers should be prepared in duplicate and not exceed 10 typed pages including illustrations and tables. All

generic and species names should be printed in italic.

Submission of Manuscript:

All manuscript should be submitted by email to researchspectra@gmail.com. Text must be prepared in MS-Word software. Each figure should be saved as separate file in Corel draw or JPEG format. Also one hard copy of manuscripts should be sent to chief editor. In case manuscripts cannot be submitted through email, typed manuscripts in duplicate along with a soft copy in MS-Word should be sent at given address.

researchspectra@gmail.com

Format of Manuscripts: All manuscripts should be arranged as follows:

1. Title Page with Authors details
2. Abstract & Keywords
3. Introduction
4. Materials and Methods
5. Results
6. Discussion
7. References
8. Annexes (if any)

Title: The title of paper should be concise, specific and informative, typed in capital letters.

Authors: Name of authors should be in capital letters.

Address: The name of the Institution where the work has been carried out and mention the address to which all correspondence concerning the manuscripts should be made. Add an E-mail address for an easy and fast communication of all author & co-authors.

Abstract: An Abstract should be brief with salient points and important conclusion, not exceeding 250 words without references.

Key Words: An abstract should be followed by not more than eight keywords indicating the contents of the manuscript
